To ease communications regarding the AIDIA Bible printing campaign, we have prepared an email template for you that can be sent to your church congregation. This email introduces church members to the campaign and contains key information about the AIDIA project. Please customize the email according to your church's fundraising goals. We hope it is a help to you as you participate in this exciting project!

Dear church family,

Did you know that 1 in 5 people doesn't have the Bible in their language? We're excited to join [Wycliffe Bible Translators](#) to help people access Bible in the language that speaks to their heart.

Together, we can provide Eastern Apurímac Quechua speaking Christians with their first full Bible in their language. **For \$23 a Bible, we can print copies of the recently completed Bible for several communities in the Andes of Peru!**

There is great demand for these newly translated Bibles: since the publication of the New Testament in 2013, over 70 new churches have been planted in the area. More and more people are giving their lives to Christ! They are eager to understand God's Word clearly.

Now, the full Bible is available and the local team only needs to print and distribute the Bibles. **This is where we can help. Would you commit to printing a Bible for someone in Peru?**

By giving, you can enable an Eastern Apurímac Quechua speaker to hear Jesus speak the language of their heart. This gift can transform a life, and have an eternal impact!

As a church, our goal is to contribute [x number] of Bibles. If you feel led to give, please click here [insert hyperlink to the church's fundraising profile].

Thank you for your prayerful consideration.

Blessings in Christ,
